Mr. Abraham Manley
Newark, N. J.

Dear Sir:- your letter of June 5/39
was rec'd to-day and I am
happy to inform you that I paid
Mr. Guyer \$20.00 per your instructions
for South Side per June 24/39
and have receipt here for
you upon your arrival. The
news is spreading very fast
about the game. Send me
a write up for ^{news} paper publicity
about Pitcher James Brown &
be sure to have ^{him} perform while
here. I feel very sure you will
have good attendance for
both games, hoping the weather
will be favorable. Would it
be possible on Saturday afternoon
to extend an invitation

CAMEL CITY CLOTHING COMPANY

to our orphan Home Children
to be the guest of the two
Teams for the afternoon game?
The white teams have the
white orphan Home Children
as their guest for several
of their games during the
Season and it will mean
some personal favor might
be granted that the City ^{if needed} will
have since this will be the
first game of this kind here.
As soon as placard reaches
me I will begin advertising
here and surrounding cities
& Towns near by. If
you should pass thru here
enroute to Charlotte be sure
and let me know.

Very truly Yours,
E. B. Johnson
